

# Investment in Cixi Economic Development Zone

February 25, 2009 Hyatt on the Bund, Shanghai, 9:00-10:30 morning meeting

## Meeting overview

The Cixi Economic Development Zone is located in the northern part of Ningbo City, Zhejiang Province, next to the southern end of the world's largest sea bridge, the Hangzhou Bay Bridge. Four international airports and two international deep-water ports are located within a two-hour drive.

The region has abundant resources, with a planned area of 145 sq km, the most land available in any zone in Zhejiang province. Over the past five years, more than 230 foreign-funded enterprises, including Korea's SK, US firms Cooper and Prologis and other top multi-nationals, have established themselves in the zone.
